Supplement
Containing

“HEALTH AND BEAUTY IN HARMONY.”

What is ferfullOx Used For?

- **Myo-Inositol:** Supports cellular health and strengthens mental well-being by positively impacting the nervous system.
- **Alpha Lipoic Acid:** A potent antioxidant that protects against free radicals and exhibits anti-aging effects.
- **L-Arginine:** Enhances blood circulation, contributes to muscle development, and boosts the immune system.
- **L-Carnitine:** Supports energy metabolism and helps burn fatty acids, aiding in weight management.
- **Coenzyme Q10:** Promotes cellular energy production, benefits heart health, and provides protective effects for the skin.
- **Betaine:** Supports digestive health and helps maintain water balance in cells.
- **Resveratrol:** Derived from grape skins, this powerful antioxidant supports cellular health and protects the cardiovascular system.
- **D-Chiro Inositol:** Helps regulate hormonal balance, particularly benefiting women's health.
- **Panax Ginseng Extract:** Strengthens the immune system, increases energy levels, and supports mental performance.
- **Glutathione:** One of the body's most powerful antioxidants; enhances immunity and detoxifies the body.
- **Astaxanthin:** A strong antioxidant that protects skin health and shields against free radicals.
- **Zinc:** Essential for the immune system, supports wound healing, and promotes healthy skin.
- **Vitamin B3 (Niacin):** Contributes to energy production, supports the nervous system, and maintains skin health.
- **Vitamin A:** Protects eye health, supports the immune system, and is essential for healthy skin.
- **Calcium L-Methyl Folate:** A form of vitamin B9 (folic acid) that supports cell growth and DNA synthesis.
- **Selenium:** A powerful antioxidant that boosts the immune system and supports thyroid function.
- **Methylcobalamin:** The active form of vitamin B12; maintains nervous system health and contributes to energy production.

"THE POWER OF NATURE FOR YOUR SKIN AND HEALTH."

ferfullOx offers an ideal formula to boost daily energy levels, support overall body health, protect skin health, strengthen the immune system, and provide antioxidant protection. By balancing the vitamins and minerals your body needs, it can be used daily to promote a healthy lifestyle.

"Enhanced formula for youthful and vibrant skin."

SKIN HEALTH

ferfullOx contains a variety of vitamins, minerals, and antioxidants that support skin health. Here are the contributions of these components to skin health:

- **Astaxanthin** : A powerful antioxidant that protects the skin against free radicals, reduces signs of aging, and promotes a more youthful appearance. Provides protection against the harmful effects of the sun.
- **Glutathione** : One of the body's strongest antioxidants, it helps even out skin tone and enhance skin radiance. Delays aging signs and reduces the appearance of dark spots.
- **Coenzyme Q10** : Supports cellular energy production, accelerating skin renewal. Reduces the appearance of fine lines and wrinkles while improving skin elasticity.
- **Vitamin A** : A critical vitamin for skin health that supports skin regeneration, prevents acne, and contributes to a smooth complexion. Enhances the skin's resistance to external factors.
- **Zinc** : Balances oil production in the skin, helping to prevent acne. Speeds up cell regeneration and supports wound healing.
- **Selenium** : Acts as a potent antioxidant to protect the skin from free radicals and supports skin cell renewal. Improves skin elasticity and protects against signs of aging.
- **Alpha Lipic Acid** : A rare antioxidant that is both water- and fat-soluble, allowing it to penetrate all layers of the skin. Reduces fine lines and wrinkles, contributing to firmer, smoother-looking skin.
- **Vitamin B3 (Niacin)** : Maintains the skin's moisture balance and strengthens the skin barrier. Reduces the appearance of redness, blemishes, and hyperpigmentation.
- **Resveratrol** : A potent antioxidant that protects the skin from aging signs by shielding it from free radicals. Helps mitigate the harmful effects of the sun.
- **L-Arginine** : Improves blood circulation, enhancing skin nourishment. Supports collagen production for firmer, plumper-looking skin.

These components come together to nourish the skin from within, promoting a healthy, radiant, and youthful appearance. Thanks to its antioxidants, it protects the skin against free radicals, helps delay the signs of aging, and supports moisture balance.

It is particularly effective in addressing skin concerns such as fine lines, wrinkles, dark spots, and loss of elasticity, contributing to a smoother, firmer, and more vibrant complexion.

DENTAL HEALTH

ferfullOx : provides an ideal blend of vitamins, minerals, and antioxidants to support dental health. Benefits for dental health include:

- **Zinc:** Zinc supports oral health by helping to combat bacteria in the mouth, contributing to the protection of gums. It helps prevent conditions such as gum inflammation.
- **Coenzyme Q10:** Supports the health of gums and may help reduce inflammation in the gum tissue.
- **Vitamin A:** An essential vitamin for oral health, it protects the gums and contributes to the maintenance of healthy mucous membranes.
- **Selenium:** With its antioxidant properties, selenium accelerates gum healing and provides protection against potential inflammation in the gum tissue.

This product supports dental health by providing essential vitamins and minerals, contributing to stronger, healthier, and more vibrant teeth.

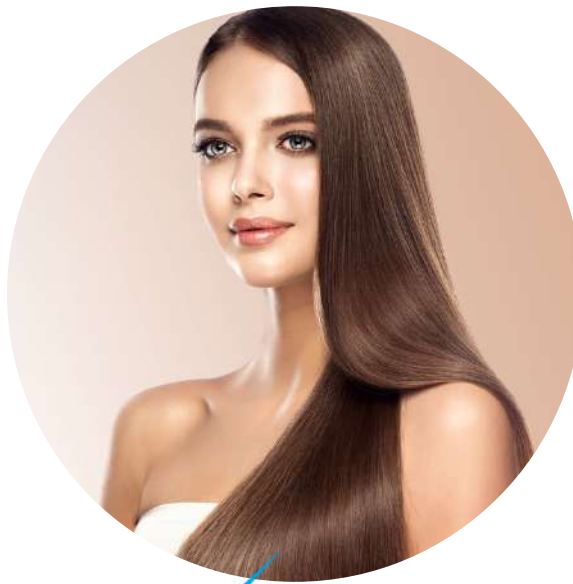

HAIR HEALTH

ferfullOx provides an ideal blend of vitamins, minerals, and antioxidants to support hair health. Benefits for hair health include:

- **L-Carnitine:** Increases energy production in cells, providing more energy to hair follicles, which supports hair growth.
- **Astaxanthin and Glutathione:** Protect hair follicles from the harmful effects of free radicals with their antioxidant properties, ensuring hair remains vibrant and healthy.
- **Zinc:** Promotes hair growth and helps reduce hair loss. Strengthens hair follicles and supports healthy hair development.
- **Panax Ginseng Extract:** Provides energy to hair follicles and improves blood circulation, contributing to stronger hair growth.
- **Vitamin A:** Helps maintain a healthy scalp and nourishes hair follicles.
- **Methylcobalamin (B12):** Supports the production of red blood cells essential for hair growth and contributes to the nourishment of the scalp.

This product supports hair health by providing essential vitamins and minerals, contributing to stronger, more vibrant, and healthier hair.
